

HOTEL INFORMATION

LOTTE HOTEL JEJU

INTRODUCTION

LOTTE HOTEL JEJU, located in a perfect spot where the blue sea surrounding the island blends perfectly with the blue sky above, is a leading hotel in South Korea where you can enjoy some heavenly rest and many activities during your trip.

In addition to the outdoor spa pool “He:on” open all year round that resembles the warm sea of Jeju, we also have a variety of other facilities ranging from our multi-play area “PlayTopia”, Hello Kitty room, pool villa suite and event spaces, to multiple restaurants in which guests can enjoy a gourmet tour. Experience the high-quality facilities and thoughtful services provided by LOTTE HOTEL, a global hotel group that extends far beyond Asia to the rest of the world.

ACCOMODATION

The rooms at LOTTE Hotel Jeju always offer comfort and coziness that feel as if you are staying at home. A beautiful garden, the seemingly endless emerald-colored sea, rooms with ocean views, and an elegant and romantic decor offer a truly relaxing experience to guests.

Standard Room

Deluxe Mountain Room : Located between the 9th and 11th floors of the main building, the Superior Mountain Room offers a view of Hallasan Mountain, and is the best option for a budget trip.

Premier Ocean Room : A well-decorated outdoor garden and spa pool captures your attention, while a windmill and the emerald-colored sea create a natural backdrop in the distance. It's a room that offers an exotic and romantic setting.

Suite Room

The Premier Suite Ocean room offers a refined and spacious living suite with luxurious interior decor. The Presidential Suite room is the most prestigious suite in Jeju, with a large bedroom and a separate dining room that also serves as a meeting room for six.

Pool Villa Suite Room

The Pool Villa Suite Room recreates the traditional housing of Jeju using basalt and flame grass for experiencing the natural characteristics of the volcanic island of Jeju. The open layout that connects inside and outside under the theme of Jeju allows access to a naturally flowing sea breeze so that the villa feels like a part of nature itself. The Jeju Pool Villa Suite truly embodies the natural surroundings of Jeju.

- The Infinity-edge Pool is perfect for enjoying warm water all year round
The Infinity-edge Pool is designed with Jeju's Jusangjeolli Cliff as its motif
- The Private Villa for a dream vacation with your loved ones
Furnished with sun beds, a dress room and a jacuzzi
- More Than Paradise, connected to the beautiful ocean of Jeju
The most luxurious pool villa situated next to a promenade that connects to Jeju's Jungmun Beach

Hello Kitty Character Room

The Hello Kitty Character Room on the 4th floor of the Main Building, designed in collaboration with Japan's largest character company Sanrio, is decorated with a Hello Kitty theme, and is loved by children and women alike. All the beds, sofas and even the bathroom are decorated with Hello Kitty to bring out childhood emotions in the the entire family.

- Type 1. Hello Kitty Princess Room
A princess room with a blend of white and pink that recreates princess rooms from fairy tales
- Type 2. Hello Kitty Ladies Room
A ladies room with a stylish two-tone interior of black and hot pink for today's trendsetters
- Type 3. Hello Kitty Kids Room
A cute and adorable kids room decorated with three colors : pink, yellow and red
